350. Read, approved and recorded the minutes of the proceedings of the special budget meeting held on Friday, the 17th January 1919.

351. Read, approved and recorded the minutes of the proceedings of the ordinary meeting held on Friday, the 17th January 1919.

352. Read the notes that have been recorded on the subject of the proposal of the select committee on Madras City Municipal Bill, 1918, to the effect that clause 34 of the Madras Port Trust Act be repealed so as to permit of municipal taxes being levied on the Port Trust.

Resolved to record that the Port Trust Board is not opposed to the cessation of its exemption from taxation, but desires to see an upper limit fixed to the amount that may be levied, and that four per cent of its gross revenue collections appears to be a fair upper limit.

353. Read again Port Trust Board Resolution No. 9, dated the 11th April 1918, approving, for submission to Government for sanction, an outlay amounting to Rs. 11,30,000 for repair of cyclone damage at the outer end of the north-east protecting arm of the harbour, including a semi-permanent blockwork head, pending the receipt from England of steel for the intended permanent Saxon head.

Read a note by the Engineer-Chairman, dated 29th January 1919, submitting a revised estimate of the cost of the same work, based largely on actual expenditure and amounting to the same figure, Rs. 11,30,000, as that already approved in the above quoted resolution and sanctioned by Government in G.O. No. 180, dated 20th May 1918.

Resolved to approve of the estimate as revised and to submit it to Government for sanction in supersession of the estimate for the same amount already sanctioned.

354. Read again Resolution No. 814, dated 12th December 1916.

Resolved that, in terms of the Chairman's draft letter to Government, Government be asked to consent to revise G.O. No. 425, Marine, dated the 2nd December 1918, so as to permit the trust to draw the undrawn balance of the ten-lakh loan sanctioned by G.O. No. 284, Public (Marine), dated 20th June 1917, in order to meet certain unexpected English debits which are expected to come forward earlier than anticipated as the result of termination of hostilities.

355. Read again G.O. No. 109, dated the 20th May 1918. Read a note by the Engineer-Chairman, dated 30th January 1919, explaining that, as the result of the armistice, work on the permanent caisson head, required for the repair of the damage done to the end of the north-east break water by the cyclone of November 1916, was proceeding, and that certain payments would at once begin to fall due in London, and submitting, therefore, an estimate, amounting to Rs. 2,53,000, of only such part of the payment for the permanent caisson head, including certain cement already purchased, as it is found necessary at once to debit to some sanctioned estimate

Resolved to approve of the estimate under section 79 of the Port Trust Act and to submit it to Government for sanction under the same section, as well as for sanction to its debit to Capital under section 76. Funds to be provided, subject to Government sanction which has been asked for, from the undrawn part of the ten-lakh loan sanctioned by G.O. No. 284, Public (Marine), dated 20th June 1917.

356. Read and confirmed a telegram by the Chairman to Messrs. Rendel, Palmer and Tritton, dated 24th January replying to a telegram, dated 14th January 1919, on the subject of the supply of the remaining steel required for warehouse Z.

357. Read letter, dated 17th January 1919, from Messrs. Gordon Woodroffe & Co. asking that for reasons given, they may be permitted to remove without payment of harbour dues, thirty-five bales of hides from the harbour premises, which they brought for shipment to S.S. "Clan Malcolm" arrived on 8th January 1919.

Resolved to grant the concession asked for, subject to Government sanction.

358. Read correspondence between Messrs. Binny & Co. and the Traffic Manager ending with the former's letter, dated the 15th January 1919, asking for remission of dues on certain sugar sweepings.

Resolved to refuse the concession.

359. Read a letter from Messrs. Walker & Co. to the Traffic Manager, dated 18th January 1919, asking for a remission of dues on certain bales of paper ex S.S. "Loana".

Resolved to refuse the concession.

360. Read a list of three cases of applications received since last meeting, for remission of dues because of non-arrival of shipping documents because of abnormal mail conditions

Resolved to grant the remissions asked for subject to sanction of Government.

361. Read an application received since last meeting from M. Soraogapaet Pillai for remission of transit dues on certain bales of paper.

Resolved to refuse the concession.

362. Read again Port Trust Board Resolution No. 235, dated the 31st October 1918, granting a second five per cent allowance to the monthly paid staff drawing Rs. 70 and under.

Read Madras Government Order No. 18, Financial, dated the 7th January 1919, granting allowances to certain subordinates drawing Rs. 50 and under.

Resolved that for members of the Trust's staff schedule drawing Rs. 50 and under, the 10 per cent already granted be cancelled as from the 1st of January 1919 and that, in lieu thereof, from the same date the allowance sanctioned by Government for similar subordinates in their employ be granted, and that provision be made for the additional cost of this concession in the revised and budget estimates.

363. Read a note by the Chairman inquiring whether the Board consents to his taking, prior to his final retirement, the six months' furlough which has accrued to him.

Resolved, subject to sanction of Government, that the Board is willing that the Chairman should take the furlough proposed.

364. Read application, dated 21st January 1919, from the Trust's Traffic Manager, Mr. W. W. Robinson, supported by the Chairman for two months' privilege leave from 19th February 1919, and proposing certain arrangements during his absence.

Resolved to approve of the grant of the leave applied for subject to Government sanction which is necessary under section 30 of the Madras Port Trust Act.

Resolved also that the following arrangements be approved for the carrying on of work during Mr. Robinson's absence.

Mr. J. G. Lord, Assistant Traffic Manager (Railway), to act as Traffic Manager.

Bill No. 3 of 1919.—The Local Authorities Pensions and Gratuities Bill, with statement of objects and reasons .. 19

Bills introduced in the Indian Legislative Council, Reports of Select Committees presented to the Council, and Bills published under Rule 23.

GOVERNMENT OF INDIA.

LEGISLATIVE DEPARTMENT.

The following Bill was introduced in the Indian Legislative Council on the 10th February 1919 :—

No. 3 of 1919.

A Bill to extend the powers of local authorities in regard to the granting of pensions and gratuities.

WHEREAS it is expedient to extend the powers of local authorities in regard to the granting of pensions and gratuities; It is hereby enacted as follows:—

Short title and extent.

1. (*1*) This Act may be called the Local Authorities Pensions and Gratuities Act, 191 ;

(*2*) It extends to the whole of British India including the Santhal Parganas.

Definition.

2. In this Act "officer" means any person who has undertaken the service of Government and who, immediately prior to undertaking such service, was paid and employed solely by a local authority and, but for undertaking such service, would in the ordinary course have continued in such employment.

Power to grant extraordinary pensions and gratuities.

3. Notwithstanding anything contained in any enactment or in any rule made thereunder regulating the powers of local authorities, and without prejudice to any powers conferred by or under any such enactment, a local authority may grant a pension or gratuity to any officer thereof who may on or after the fourth day of August, 1914, have been wounded or otherwise incapacitated in the service of Government, and to the widow or child of any such officer who may have died in consequence of injuries received or illness contracted after the fourth day of August, 1914, in the course of such service.

Provision as to pensions and gratuities.

4. (*1*) Such pension or gratuity may be granted in addition to any pension or gratuity payable to the officer or his wife or child, as the case may be, under any general or special orders of His Majesty in Council or of the Governor General in Council, but shall not, save with the sanction of the Governor General in Council exceed the amount of the pension or gratuity to which the officer or his wife or child would have

been entitled under any such orders if his employment by the local authority had been service for the same time and on the same pay under Government.

(2) Any pension granted under this Act may be made to take effect from such date subsequent to the fourth day of August, 1914, and subject to such conditions as the local authority may think fit.

Procedure.

5. Subject to the provisions of this Act, the decision of a local authority to grant a pension or gratuity thereunder shall be made in such manner and shall be subject to such sanction as may be prescribed by any enactment or rule regulating the grant by such local authority of pensions and gratuities:

Provided that in every case the sanction of the Local Government shall be necessary.

STATEMENT OF OBJECTS AND REASONS.

Provisions already exist in some of the enactments relating to local authorities for the grant of pensions and gratuities to employees who may be wounded and to the families of employees who may be killed in execution of their duty. But it is not open to a local authority to grant a pension or a gratuity to an employee or to his family when he has been incapacitated or has lost his life in the service of the State. It is proposed to permit any local authority, which so desires, to grant a pension or a gratuity in such a case; and in order specially to provide for cases where those who had been in the employ of local authorities proceeded on active service during the Great War, it is proposed that the measure should be applicable in cases of injury, disease or death which have occurred since the 4th August, 1914. The Act will be an enabling Act, the provisions of which can be made applicable by such local authorities as care to avail themselves of it to any case covered by the terms of the Act, the sanction of the Local Government being required in each case.

Delhi,
The 21st January 1919.
